

ICOM-UK

Marine VHF Multipack Radio Solution for Boating Clubs & Associations

The ICOM UK 'Regatta Pack' is a compact, portable marine VHF support solution, providing ideal communications for all RYA and ISAF affiliated clubs and organisations.

Utilising six of ICOM's best-selling IC-M73EURO VHF radios, the 'Regatta Pack' comes in a peli-style waterproof case, complete with six integrated fast chargers and heavy-duty power supply.

This solution is ideal for organisations dealing with water-borne activities, having enough radios to improve the efficiency of safety crews, marshals and management teams.

Open the regatta pack and plug in the mains to charge... it's that simple. At the end of an event, just wash the radios down, dry and return to their charging facilities ready to be deployed at your next event.

The ICOM-UK Regatta Pack is ideal for:

- **Yachting and Boating Clubs**
- **RYA Training Organisations**
- **Maritime Festivals and Exhibitions**
- **Water-based Sports and Rallies**

**The ICOM UK
Regatta pack is**

available in 2 versions:

4 x Radio £1125 inc.VAT
