

# CAUTION

## "3D GENUINE Icom Label" Changed!

### New label

The Icom logo turns, and the four corners are colored in orange when you change the horizontal viewing angle.

### **Handheld type**

Rear chassis under the battery

**IC-V80**

### **Fixed-Mount type**

Bottom of the case

**IC-M330**

### **Mobile/base type**

Bottom of the front panel

**IC-2300H**

The labels are attached to

IC-V80/E, IC-U80L, IC-V88, IC-U88, IC-G88, IC-80FX, IC-2300H, IC-2730H, IC-F1000, IC-F2000, IC-M25, IC-M25EURO, IC-M200, IC-M330, IC-718 and more.

Pay special attention to counterfeit IC-V80, IC-718 (currently produced model) and IC-V82 (discontinued model). Copies of these models are floating in the market.

**ALL Icom Radios are Made in Japan.**
