## **Terms & Conditions**

1. The rebate will be given to customers returning old airband transceivers, receipt of purchase and completed form. Failure to include receipt and radio will make this offer null and void.
2. Purchases of either the IC-A6E Portable VHF COM Transceiver and IC-A24E Portable VHF VOR/COM Transceiver (Sport or PRO Pack) or IC-A220T Airband Panel Mount Transceiver must be made from authorised ICOM Airband Dealers.
3. No other radios may be substituted for this offer.
4. This offer will be null and void if the rebate form is not fully completed.
5. A cheque or cash transfer will be paid within 28 days of receipt of application.
6. This promotion is valid between 13th November 2017 and January 31st 2018, (subject to availability).
7. Where products are being promoted for a limited time, any reduction in the buying and selling price will only apply to the products purchased during the promotion period and cannot be applied retrospectively.
8. ICOM-UK standard terms and conditions apply to all transactions.
